Dear Debbie:

On behalf of the State Bar of Arizona, thank you for chairing the *Broad-brush Tool Kit* seminar on behalf of the Sole Practitioners and Small Firms Section at the 2015 Convention.

We had more than 1,400 attendees at the Convention this year, and quality CLE is one of the main attractions of the Convention. We consistently heard wonderful comments about the variety and quality of the seminars this year. Specifically, many remarked about the practical application of what they learned at the seminars. We have enclosed a compilation of your seminar evaluations.

Thanks again for your hard work for the State Bar and the 82nd Annual Convention!

Sincerely,

Booker Evans
